

HALL VACANCY ELECTIONS OPT-OUT FORM, 2020

In order to officially “opt-out” of the Hall Vacancy Elections 2020 Process as outlined by Judicial Council, the Hall Election Coordinator, in conjunction with the Hall Rector, must complete the following form and return to 214 LaFortune by August 14th by 8pm. If you have any questions about opting-out or hall elections, please contact Judicial Council at jcouncil@nd.edu.

1. Why does your hall plan to opt-out? (This question will help Judicial Council address any problems or deficiencies in our process for the future, so please be as specific as possible!)

2. Please outline your proposed process and timeline for Hall Elections, including information sessions, petition/approval process, campaigning, ballot method, allegation of election misconduct procedure, and results tabulation. As a reminder, all hall elections (including runoffs) MUST be completed by August 21st, without exception.

By signing, I agree that _____ Hall will not receive any assistance from Judicial Council for Hall Vacancy Elections 2020 (including electronic ballot, results tabulation, and allegations hearings) and I confirm that all election results (including vote breakdown) will be submitted to Judicial Council by August 21st, 2020. I also agree that I will ensure, to the best of my ability, that all regulations outlined in the Student Union Constitution will be followed in my hall during Hall Vacancy Elections.
