

Candidates were asked to submit a 150 word statement and photo. They are listed by the position they are running for and then in alphabetical order by the candidate's last name.

President/VP Tickets

Alexandra Chlumsky (President) / Tucker Watson (VP)

The Chlumsky-Watson ticket is dedicated to creating an off-campus atmosphere that fosters the same sense of community that we find within our dorms at Notre Dame. As President and Vice President of the Off-Campus Council, we plan to create a signature off-campus formal, promote local businesses, and give back to the South Bend community through student service opportunities. We intend to create an off-campus newsletter to inform students of events in the Notre Dame and South Bend communities, as well as develop a platform for students to share post-graduation plans and connect with their peers. We will strive to create connections among the members of the off-campus community that will enhance our time off-campus and after Notre Dame.

Renee Pierson (President) / Rachel Stockford (VP)

We will work to fulfill the purpose of off-campus council through experience, compassion, and excitement to be part of the off-campus community. We are committed to creating an off-campus community that is welcoming, inclusive, and of course, a ton of fun. Having experienced off-campus life last year (shoutout COVID housing exemption), Renee understands the realities of living off campus and wants to ensure that every student feels as though they have a community to turn to for support. Additionally, both of us have served in leadership roles (e.g. Sophomore Class President and BridgeND President) that have given us valuable experience with representing the interests of students and bringing people together.

Our priorities include creating a more unified off-campus community, planning events that people genuinely want to attend, and voicing the needs and concerns of off-campus students in Student Senate and meetings with administration.

Andrew Zimlich (President) / Zane Reeb (VP)

Hey everyone, we're Andrew and Zane, and our mission is simple. All of us deserve an amazing off-campus experience, and we're confident that we have the ability, passion, and ideas to help give you that. First, we want to make sure off-campus students stay connected to one another and feel the same sense of community we valued so much in our residence halls. We'd offer holiday decorating contests, a wiffle ball league, trivia nights with drink deals, monthly coffee giveaways, and block party grill-offs. Next, we'd focus on improving safety measures, including sponsoring training sessions to prevent violence and abuse while also working with NDPD to create a mobile reporting hotline for off-campus students. Finally, we want to provide more opportunities where off-campus students can remain engaged with university life and ensure our voices are heard in university decision-making. *Vote Z&Z, and make off-campus the best it can be!*

Senator Candidates

Jack Davies

Hi, my name is Jack Davies, and I am from O'Neill Hall running to be the class of 2023 Off-Campus Senator. As a political science major, I am passionate about communicating the needs of our Off-Campus students with the Notre Dame Student Union and Administration. As your senator, I pledge to tackle 3 key goals: lowering the costs of off-campus dining plans, lowering the costs of off-campus parking passes, and ending all aspects of differentiation. Differentiation creates large differences between off-campus life and on-campus life. The administration has made it clear that off-campus seniors cannot have privileges an on-campus student has, limiting their ability to participate fully in their dorm. While the University has slightly rolled back these initiatives, it is my intention to fully dismantle all remaining aspects of differentiation, including allowing off-campus seniors swipe access to their dorms and access to information shared by their dorm's rector.

Patrick Enochs

Hello all! My name is Patrick Enochs and I am running for Off Campus Senator for the 2022-2023 school year. I am a current junior in Dillon Hall, but I'm incredible excited to live off campus next year. I would love the opportunity to represent the interests of off-campus students in Senate next year, as I believe that we have a unique perspective on student life and school policy that requires us to be well-advocated for. Please consider voting for me, as I would look forward to the challenge of dedicating time towards trying to ensure that school policy reflect the best interests off all students, not just those on campus.

Brock Hurst

Megan Mikuen

There are two sides to being a good senator, an inward-facing side regarding legislation and senatorial duties and an outward side regarding communication with constituents. I believe my experience in the Student Union and hall council will be useful. For example, I am a two-year member of the Committee on the Constitution. This group monitors the transition, internal review, and processes of the Student Union. In this role, I reviewed senate orders allowing me to become familiar with the format and feasibility of legislation. I was also in the executive cabinet's Community Engagement & Outreach department where I worked with student groups and authored by-laws. The outward function is just as important. This is why I will be accessible through open hours, a google forum, and attending occ events. I will also relay information with a focus on what is relevant in an effort to not under communicate nor over communicate.

SUB Representative Candidate

Natalie Whalen

My name is Natalie Whalen, and I'd like to represent off campus students in all things SUB. I've been working with the Student Union Board since my freshman year and absolutely love everything the club has to offer: concerts, movies, FREE FOOD!! Now that we're seniors and are moving off campus we can't neglect what ND('s funding) can still offer us. We have one more year to take advantage of our tuition. I'm Chief Announcer at WSND, so in addition to amplifying the many events SUB already sponsors, I'd love to join forces with student radio for a talent show?

student DJ night? What about exclusive off campus student events, like a class trip to a Blackhawks game o_o?? Just spitballing here. Ideas gal. You'll hear more if you vote for me.

Let's goooo!
