LIST OF CONSTITUTIONALLY ENUMERATED POSITIONS

The Student Union Constitution repeatedly refers to the concept of an “office enumerated in this Constitution” (see, *inter alia*, Article I, Section 3(c), Article III, Section 3(n), and Article XII, Section 6(a)). However, there is no exhaustive list of what positions are considered enumerated, leaving open the question of what other positions are considered enumerated. Over time, the Judicial Council has gradually determined a complete list of enumerated positions, which we now publish for the sake of consistent application in the future:
